The course helped me to understand the main concepts in this subject area.
The course helped me to understand the relationships among these main concepts.
The course helped me to understand how concepts presented in this course relate to those in other biosci
The course helped me to understand the relevance of this particular subject to real-world issues or every
This course helped to develop my ability to think through a problem and solve it.
This course compared favorably to others I have taken in the biosciences.
The exams and assignments were well designed to test the knowledge I was expected to gain in this cour
I appreciate this subject better as a result of taking this course.
This course stimulated my desire to take additional courses in this subject area.
I understand the scientific process better as a result of taking this course.
Overall, I would recommend this course to other students.

The TA was clear in presenting subject matter.
The TA was well organized.
The TA made me feel comfortable to ask questions.
The TA presented the material in an interesting and engaging way.
Assignments and tests handled by the TA were returned promptly with useful feedback.
The TA was available during office hours or by appointment.
Considering everything (class size, course objectives, etc.), the TA was an effective teacher.
